Another Renovation Complete

**Newsletter
20th January 2017
Issue 3**

We welcome our readers to look inside our latest renovation in Tudor Road South in Kensington L6.

When we bought this property in October, it needed a full renovation to modernise the house which included a full paint throughout, new carpets and flooring throughout, a brand new kitchen and a brand new bathroom. This is now complete and ready to be let for 2017.

Another Working Partnership

We have been working in partnership with the Whitechapel for a number of years and our staff have been donating bags of clothes, shoes and warm bedding to ensure people are warm over the cold winter period. We are also letting out some accommodation for people who use their service who are referred to us.
